

**36th Annual
CANADIAN PULP & PAPER
CURLING CHAMPIONSHIP**
March 19-22, 2009

Kamloops Curling Club
Kamloops, BC

Date _____

To _____

Company _____

The 36th Annual Pulp & Paper Curling Bonspiel will be held in Kamloops, BC on March 19, 20, 21 and 22nd, 2009. We would like to provide the promotional opportunity for _____, to show their appreciation for all workers in the Pulp & Paper industry by becoming one of it's sponsors

By being a sponsor your company will achieve the following:

- Heightened visibility (name, logo in the bonspiel advertisements)
- Company awareness
- First and lasting impressions
- Brand Image
- Goodwill
- Differentiate you from competitors

We invite your company to be a sponsor of the 36th Annual Pulp & Paper Curling Bonspiel. This bonspiel originated in Prince George 35 years ago with just three mills participating and the 2008 bonspiel had 32 team entered from Western Canada. The last time the bonspiel was held in Kamloops in 2000 there were 42 Teams entered. Our expectation and hope is to achieve those numbers again in 2009.

Sponsors, who choose to contribute, may do so at a number of different levels. Each level will bring a different degree of exposure for the sponsor. See the following pages to see the benefits of each level and the different events open to you for sponsorship.

Companies wishing to become sponsors should affirm ASAP by completing the sponsors entry form, which is attached. For further information visit our website at www.pulpspiel.com or call any of the people listed at the bottom of the page

Sincerely

Bruce Steinson

For more information about the bonspiel visit our website at <http://www.pulpspiel.com> or ask any of these Domtar supporters of this spiel: Scott Carpentier, Ted Alexandre JP Coulombe, Doug Paget, Bruce Steinson, Terry &r John Pisarczyk or George Barr

In no way does participation or non-participation in this bonspiel affect the ability (positively or negatively) of companies to conduct business with Domtar or any of the other sites where curlers may originate.
